Ms. Hetal H. Barot
(Managing Trustee)

Managing Trustee's Message

I know that finding the right school for your child can be a very stressful and time consuming endeavour. Many of my fellow trustees, colleagues and friends were searching as you are, for a school that would not only provide a challenging educational experience, but a welcoming environment for your children. We found this atmosphere at VDS school. We believe, and you will also feel that VDS is unique in its ability to nurture and support your child.

As a progressive, learning-centric, co-educational school, we are committed to creating individuals who can become a part of an evolving global environment. To further this endeavour, we have created world class infrastructure and wholesome learning and socialising environments that are innovative and enriching.

Our management policy provides an effective framework to ensure that students are managed with respect and assisted to make appropriate choice about all aspects of their school life. This enables us to assist students to be responsible, independent thinkers and foster an environment that enables both students and facilitators to maximize their learning opportunities.

We believe that education is a process that should foster creativity, independent thinking, exploration and experimentation as a lifelong process without compromising on sound ethical values.

Mr. Hemant J. Bera
(Campus Director)

Campus Director's Message

'School life' has an important role in shaping a child's personality from little young humans to empowering individuals. At VDS we constantly focus on bringing out the best in them, not just intellectually but also spiritually and physically. To become a responsible citizen of our country VDS believes in the holistic development of a child as it helps to imbibe moral values, life skills and build a better tomorrow.

Ms. Sonal Chatterjee
(Principal)

From the Desk of the Principal

"Vishnu Dharm School is a symbol of progressive and quality education. Our motto is 'We build the citizens of tomorrow.' capture the essence of our spirit. We are sure that by educating, we are not manufacturing obedient citizens but unleashing powerful creative souls.

Our school will surely get a new height with excellent and reputed professional training to our children in a range of co-curricular activities, games, sports, Yoga, art and Craft, Music, Dance, etc. In our school children will gain an all-round education and achieve their potential not just in the academic, but also in each and every field.

Teaching is not about answering questions but about raising questions. Opening door for them in places that they could not imagine. At VDS, we want to give safe and secure environment to the children. If children feel safe, they can take risks, ask questions, make mistakes, learn to trust, share their feelings and grow. Children are not things to be moulded but are people to be unfolded.

The Kachchh District Education Officer gave suggestions at VDS and we abided it.

On the day of inauguration Shree B. N. Prajapati gave a few suggestions and we at Vishnu Dharm School provided biometric attendance facility for the safety of the Children.

When the District Education Officer of Kachchh Shree B. N. Prajapati Sir came for the inauguration of our School, he suggested that it should become digital. Since then, the Trustees of Vishnu Dharm School accepted the offer and set up a digital biometric machine for the students. Now when children enter the school campus and disperse, school is marking their attendance by the biometric Machine.
