ABOUT VISHNU DHARM SCHOOL

Every child is special with his/her unique competencies. The very objective of Vishnu Dharm School is to identify this exclusivity. The school is not created to force any specialization onto a child, but to nurture the natural abilities, be it artistic, analytical, scientific or linguistic.

Our emphasis is on a small Teacher-Student Ratio which is at par in our school. It facilitates constant tracing of a child's progress across

various structures. We try to indoctrinate in the child, qualities like stalwart character, true wisdom of duty, feeling of cohesion and humbleness for the progress of their integrated personalities.

At Vishnu Dharm School, we use technology to empower our students and parents. Students master even the most difficult concepts through interactive classes and learn languages through state-of-the-art ways.

“We Aspire To Make Our Students’ Journey At School A Beautiful Memory To Cherish Them For A Lifetime!”

IMPORTANCE OF EDUCATION

Education is the key to unlock,

The doors of opportunities, to dock.

It empowers us with knowledge and skill,

To face the world, with confidence and will.

Education is the light in the dark,

A guide to a fulfilling life, like a spark.

It opens up minds and expands our horizons,

Leading to success, like a sun that shines.

It is a path to progress, a way to thrive,

A tool to break free, to strive.

It fosters understanding, acceptance, and unity,

Promoting peace and harmony, with diversity.

Education is a lifelong pursuit,

A journey of learning, to reboot.

It is a gift, a treasure, a legacy,

That we must cherish, with all our energy.

For education is not just a degree,

It is a foundation, for all to be.

It transforms lives, and shapes our destiny,

A beacon of hope, for humanity to see.

To get this kind of Quality Education..

Do join us and achieve the grand success in the future.

RAM NAVAMI CELEBRATION

30/03/2023

Different religious festivals are celebrated in our country along with the importance of religious festivals in our country. The Sud Navami of Chaitra month itself is called Ram Navami. The festival of Ram Navami is celebrated on the ninth day after the completion of Chaitra Navratri. Maa Kaushalya gave birth to Lord Rama on this day.

Along with education, understanding of our customs and festivals is also essential in the overall development of a child. That is why many festivals including Ram Navami is celebrated in Vishnu Dharm School with the aim of imparting knowledge about customs and religious matters to the children along with education. On 29th March, Wednesday Ram Navami was celebrated in Vishnu Dharm School. A story writing for the students was organized on the occasion of the festival of Ram Navami with the aim that all student should get information about Shree Ram and his birth. Under which the teachers presented to the students the importance of Ram Navami, the birth of Shree Ram, the purpose behind his birth, the events of Ramayana and the description of the entire story of Ramayana in an interesting way.
